

Optimal Resume Browser Compatibility

Optimal Resume is not yet compatible with Internet Explorer 9; however, it is compatible with all of the browsers listed below:

- Internet Explorer versions 7 and 8
- [Firefox 3+](#)
- [Chrome 2+](#)
- [Safari 4+](#)
- [Opera 9.5+](#)

You can download any of the browsers listed above free of charge simply by clicking the names of the browsers shown.

If you do not want to, or cannot, download another browser you can still use Optimal Resume with Internet Explorer 9 by using what is called **IE 8 Compatibility View**. To use compatibility view in Internet Explorer 9, you will need to:

1. Open the Tools Menu bar
2. Select Developer Tools (F12)
3. Click Browser Mode and select IE8
