Effective Date

For new or returning students, the effective date of the declaration is the date the declaration is signed by the student.

Continuing students wishing to change their declared degree or certificate may do so a maximum of once per semester. The change must be made before the end of the semester's official add/drop period for semester-length courses. Any change made after that time will go into effect the following semester or summer term. 2015-2016 effective dates for continuing students are 08/24/15, 01/19/16, or 05/31/16.

Degree Intent

Is this your initial degree declaration or are you changing your declared degree/catalog?

Initial _____ Change _____

If this is a change, do you want to inactivate your existing degree? Yes _____ No _____
