Mohave Community College Disability Services

The mission of MCC Disability Services is to empower students with disabilities to succeed, by facilitating access through accommodations and advocacy.

ADA Definition of Disability
“Disability is defined as a physical or mental impairment that substantially limits one or more major life activities.”

Procedural Statement

The Disabilities Services program philosophy is to facilitate accessibility to education and foster independence in individuals with disabilities. This is accomplished through empowerment, support, resources and advocacy throughout MCC’s programs and activities.

Each MCC campus has professional staff ready to provide assistance to individuals with documented disabilities.

These specialists provide information, resources and serve as a link between students with disabilities and Mohave Community College.

Mohave Community College does not provide personal devices, personal attendants or transportation.

Steps for Obtaining Services

1. Call the Disability Services Specialist at your campus to make an appointment.
2. Complete a Disability Services Student Intake Form and bring it to your appointment.
3. Obtain your disability documentation from your medical, educational or psychological professionals.
4. Bring a copy of your disability documentation to the appointment.
5. Discuss appropriate courses based on your documentation and interests.
6. Develop an Accommodation Request Plan based on the provided documentation and courses.

Examples of Accommodations Provided Based on Individual Documentation

Books in Alternative Format
Extended Time for Testing
Assistive Technology
Modified Chair/Priority Seating
Note Taker
Quiet Room for Testing
Scribe/Writing Assistance
Sign Language Interpreter
Tape Recorder
Others Based on Need

The College may require up to six weeks’ notice to have time to provide disability related accommodations. All disability-related information obtained from students is confidential and shared with faculty and staff on a need-to-know basis.
