Dear MCC Community:

A phishing e-mail has been circulating around campus purporting to be from Dr. Klippenstein. The e-mail asks you to help with a purchase because he wants to "surprise some of the staff with gifts" and asks that the matter remain confidential.

This is a scam.

Dr. Klippenstein is a nice guy but he isn't buying us all special gifts. If you have responded to the e-mail please contact Rob Bonar immediately for remediation of the potential threat(s) associated with the e-mail. Should you have any further questions, please don't hesitate to contact me directly.

Thanks,
Mark
