Dear MCC Community,

As our community plans and prepares for what coronavirus/Covin-19 will bring the internet has been flooded with hundreds of coronavirus/Covin-19 related malware programs, phishing e-mails, and websites spreading false information. Please be careful of any communication about coronavirus/Covin-19 or malware from sources that are not official. Your father's brother's nephew's cousin's former roommate may sound like they know a lot, but official government sources are the best way to obtain up to date information and support.

The official U.S. Government website is here:
