**Subject:** ALERT: Phishing e-mail that looks like it comes from Dr. Tim Culver is circulating.

Dear MCC Community,

A fake e-mail designed to look as if it came from our new Administrative Vice President, Dr. Tim Culver, is circulating on campus. If responded to the sender attempts to invoke the gift card scam. Do not respond to this e-mail nor click any links. Simply forward the message to abuse and delete it. The image below shows a typical interaction.

Should you have any questions please feel free to reach out to me directly.

Thanks,  
Mark
