Dear MCC Community:

A phishing e-mail is circulating in MCC mailboxes that asks for help with a quick task and/or help purchasing gift cards. The subject of the message is "FW: Urgent follow up" and is not from an MCC user. The e-mail purports to be from Dr. Tishchenko. **Do not respond to the message.** If you have done so please notify the IT department **immediately** so that we can take action to mitigate the damage.

Should you have any questions or concerns please don't hesitate to contact me directly.

Thanks,
Mark
