I understand that all Mohave Community College students are expected to be fully acquainted with and comply with all current published college policies, rules, and regulations regardless of their age.

I consent/understand that Mohave Community College, will furnish course, academic progress, attendance, grade information, and program completion to the appropriate high school officials/districts, including participation through WAVE JTED. The determination of this release is to ensure transfer of information between the educational institutions as it relates to the educational pursuit and interest of the student. Release of course and grade information includes, but is not limited to, college courses taken concurrently, outside of the student's high school day, and courses that may be used to fulfill high school graduation requirements. MCC coordinates with appropriate high school officials/districts to request high school transcripts on behalf of the student.

Admission to Mohave Community College may be granted to any person under age eighteen who meets the established requirements of the courses for which they enroll, that include, at a minimum, student completion of course prerequisites. The individual must submit an on-line Admission form and meet admissions criteria as outlined in ARS 15-1805.01

A community college in this state shall grant admission to any student who is under eighteen years of age and who achieves at least one of the following:

- (a) A composite score of 720 or more on the PSAT.
- (b) A composite score of 720 or more on the SAT.
- (c) A composite score of twelve or more on the ACT.
- (d) A passing score on the relevant portions of the statewide assessment.
- (e) The completion of a college placement method designated by the community college district that indicates the student is at the appropriate college level for the course.
- (f) Is a graduate of a private or public high school or has a high school certificate of equivalency.

TO BE COMPLETED BY PARENT OR GUARDIAN

I give permission for my minor child to enroll as a student at Mohave Community College (MCC). I understand that this permission, once given, may not be revoked during their academic career at MCC. Further, I understand that subject to MCC policies, rules, and regulations, and the statutory laws surrounding enrollment for under age 18 students, this student will be able to enroll at MCC without my knowledge or further permission.

- I understand that participation in college classes may subject the student to adult materials, themes, situations, and non-restricted internet use; and I freely consent to this circumstance.
- I understand that the student is expected to be fully acquainted with and will be subject to all the requirements, policies, and regulations of the computer lab, library, instructors and staff, as well as the College catalog, Schedule of Classes, and Student Handbook.
- I understand that all grades earned will affect the student's overall GPA; and credits/grades earned will be part of the student's college transcript and may impact the student's financial aid in the future.
- I understand that since the student is enrolled in a post-secondary institution, that I cannot have access to the student's MCC academic record without the student's written consent. The "Family Education Rights and Privacy Act (FERPA) gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level."
