*Conducts its work under the auspices of the College President and within District policies and procedures.*

**In specific, serves the following purposes:**

1. Researches and communicates best practices pertaining to the College's strategic plan strategies, objectives and action plans.
2. Develops action plans based on data and community potential/demands, while considering resources.
3. Reviews and considers the policies and procedures related to initiatives and action plans.
4. Monitors progress on action plans in accordance with established metrics and measurements.
5. Ensures and confirms the institution demonstrates responsibility for the quality of its education programs, learning environments, and support services.
6. Ensures and confirms the institution's plans for the future.
7. Integrates with the college's budget planning process to ensure alignment with strategic initiatives.
8. Coordinates with the Institutional Effectiveness Network to ensure that strategic initiatives align with the five pillars of effectiveness.
9. Reports committee activity to President's Cabinet.
