

PROGRAM COURSE PATHWAY

The following sequence is the suggested pathway to complete the degree in two years. This sequence is based on satisfaction of all basic skills requirements and prerequisites and presumes a fall start date. An individual's program may vary depending on transfer institution, career objectives, or individual needs. See your academic advisor for other options and to monitor your progress.

Program Name: Physical Therapist Assistant, AAS

Program Learning Outcomes:

1. Demonstrate safe and effective application of treatment techniques established within the plan of care. (G.E. 3, 5, 6)
