2P1 – Credentials	45.71%	45.50%	Yes	Yes
3P1 – Nontraditional	17.49%	22.50%	No	No

* State Determined Level of Performance (*SDLP*)

FY 2021 – 2022 Performance Measure Definitions

1P1 Postsecondary Placement is the number of postsecondary CTE concentrators who completed their program in 2021 and were reported to have some form of post-program placement (continuing postsecondary education, advanced training, military service, national service, or employment) divided by the number of postsecondary CTE concentrators that completed their program in 2021.

2P1 Credential, Certificate, or Degree is the number of postsecondary CTE concentrators who earned a recognized credential during program participation or within one year of program completion divided by the number of postsecondary CTE concentrators that completed their program in 2021.

3P1 Nontraditional Enrollment is the number of postsecondary, nontraditional CTE concentrators enrolled in programs with a nontraditional gender designation in 2022 divided by the number of postsecondary CTE concentrators enrolled in programs with a nontraditional gender designation in 2022.
