MCC creates a significant positive impact on the business community and generates a positive return on investment for students and taxpayers in the county and state.

• Creates new income in the region
• Supports local jobs
• Sustains a skilled workforce
• Increases students’ lifetime income
• Expands the state economic base
• Improves quality of life

MCC Economic Impact

MCC alumni generated $122.3 million in added annual income in the region. Overall impact of MCC on the local business community per year amounts to $154.9 million. Equal to approximately 2.4% of the Gross Regional Product (final market value of all goods and services produced in the region).

For students

$1 = $6.10

Invested in MCC

In lifetime earnings

For the community

$1 = $5.80

Invested in MCC

In added community benefits

Value to state & county residents

One graduating class of MCC students will boost the Arizona economy by $288.1 million during their working lives. The state will also save $6.2 million in relation to reduced crime and lower unemployment thanks to MCC graduates.

For every dollar the public spends on MCC, the citizens of Mohave County will receive a cumulative value of $5.80 in benefits.

One out of every 29 jobs in Mohave County is supported by the activities of MCC and its students.
