Announcements

- **Club Budget Reports** – Club reports are no longer sent out by the Business Office (Nanci Darnall). Contact Sharon if you need your club balance. A new report is in the works and will be available next month. It will be sent out to club advisors and officers on a monthly basis.
- **New College-wide Club** - Biology Honor Society (Beta Beta Beta) is now accepting students in the health professions. Club division president was here last semester. For more information about the club, contact Eric Osborn (PTK Advisor). The club district president should come back in Feb. or March to finalize the details for the MCC club. Tramaine and Nanci Darnall have a copy of the constitution. Hoping to have MCC club active by April. Received \$2K in startup funds from NCK. Would like to request \$2K from BHC SAC for promotional items for the club.
