Ironically, the Apache peoples of the Southwest had once welcomed the arrival of the Americans as a buffer against Mexico, which regularly attacked Apache settlements—but then American miners and loggers began to encroach, and a defensive war turned into a terrible guerrilla campaign that lasted a quarter-century. In this talk, Gregory McNamee, who has written about the Apache Wars for Encyclopedia Britannica and other publications, unravels the complex story of the conflict and the decades of uneasy peace that followed. Public is welcome, light refreshments will be provided.

New Business

Discussion/Voting Item – Add’l Funding for Campus Food Bank (Gary Cooper)

- **Background Information:** Dean Cooper is requesting an additional \$1,000 to restock the Campus Food Bank for the spring semester.
- **Discussion:**
 - Choir asked for canned goods at last year’s event and that helped replenish the pantry. Shelves are empty in the pantry now, needs to be replenished. Would like to replenish personal hygiene products along with canned goods. The \$1K should get us through to August.
 - For new year, Dean’s Office will request an annual contribution from SAC instead of one-off requests during the year.
 - Business Club may ask for canned goods at the dance. Perhaps all our clubs would like to ask for donations at campus events.
 - Jeans included in food pantry to help welding students when they burn their jeans in class.
 - NCK gets some hygiene products from donations (unused items from hotels). Donations must not be expired and not opened.
 - Goodwill has 25% off on Sunday’s for students and employees. May not be in our best interest to do a clothing bank here with Goodwill so close to campus. We need to be selective on what can be used by students. We are OK to accept jeans, they must be in good shape, no rips or tears. Any clothing donations must be clean and ready to wear.
- **Action:** Motion needed to approve SAC funds, not to exceed \$1,000 to replenish the Campus Food Pantry.
- **Motion:** Sammy Covey motioned to approve funds (\$1,000) for the Campus Food Pantry.

Discussion/Voting Item – Future Events (Continued from February Meeting)

- **Brainstorming Session:**
 - Events on deck for the spring semester include Domestic Violence (March, No More week is March 3 - 9), College Daze (April 3, 11am to 2pm), and Disc Golf Course & Trail Clean Up (April to coincide with Earth Day on April 22).
 - Do we want to set dates for these events and start planning now? Or cancel? Are there ideas for alternative events?
 - What other types of events/activities would students like to have on campus? How can we get more students to participate?
- **Discussion:**
 - **Domestic Violence Events:** Needs to be scheduled. NOTE: Google shows these months for Domestic Violence Awareness:
March – No More Week, March 3 – 9. No More Week held in March, is dedicated to galvanizing grassroots activism and inspiring all people to help create a culture of safety, respect, and equality in their communities, with the aim of ending domestic and sexual violence.
April - Denim Day is April, 24, 2024 to honor survivors of sexual assault and start conversations about the dangers of victim-blaming.
 - **Discussion from March Meeting:** Blaine will contact Lorrie Duggins to see if she can come in and speak on domestic violence. Jen will work with Allie & Shelby on planning an event.

October - Purple Thursday or “Go Purple Day” is a national day of action each October during Domestic Violence Awareness Month. Everyone is encouraged to wear all things purple as a symbol of peace, courage, survival, honor, and personal dedication to domestic violence awareness.

- **April – College Daze:** Scheduled for April 3, committee needed to chair this event. Activities, food, prizes, etc. need to be decided upon and vendors contacted, if needed, in order to ensure availability.
 - **From February Meeting:** Decided event should be a relaxed atmosphere for students before finals. Would like to have it behind 200, maybe ask Culinary to do a BBQ. Jennifer and Brandon will come up with ideas to present at the next meeting.
 - **Discussion from March Meeting:** Contact Brandon if you want to be part of the College Daze planning committee.
 - **April – Earth Day Event and/or Disc Golf Course & Trail Clean Up:** Earth Day is Monday, April 22, 2024. Event needs to be scheduled and added to the calendar.

 - **Discussion from March Meeting:** Friday or Saturday would be best for a clean up activity. If it is scheduled on a Friday morning, Facilities would be available to help. Besides the trail clean up, we would also like to do a campus clean up. Friday, April 19, 9am to noon was chosen for this event. \$2,100 set aside from last year for refreshments for volunteers and to purchase any needed supplies. Jen will coordinate the event.
 - **Legacy Project (Student Lounge in 203A) –**
