AWS WELDING
(AMERICAN WELDING SOCIETY)
CERTIFICATION TESTING

TESTING OPEN TO THE PUBLIC AND MCC STUDENTS WHO ARE INTERESTED.

REGISTRATION AND PAYMENT:
Test date registration closes 1 week prior to the scheduled test date. Most major credit cards are accepted. Cancellations are subject to a cancellation fee.

REQUIRED APPAREL:
All testers must provide their own personal protective equipment (PPE), including, but not limited to, welding helmet, welding jacket or sleeves and welding gloves, safety glasses, ear plugs, long pants and steel-toed or leather shoes or work boots. Individuals who arrive without appropriate equipment will not be permitted to test.

COMPANY/GROUP TESTING:
Discounted pricing may be available for multiple testers from a single organization on a single date. Testing can also be conducted on-site, as needed.

RETESTS:
On occasion, immediate retesting may be available. Immediate retesting must be approved and coordinated, including immediate payment at 50% of the original test cost, with the Director.
