

### PROGRAM COURSE PATHWAY

The following sequence is the suggested pathway to complete the courses needed to apply for a permanent teaching certificate from the Arizona Department of Education. An individual's progress may vary depending on number of courses completed prior to admission to MCC's Alternative Teacher Licensure Pathway.

<i>Pathway Name: Elementary Education Post Baccalaureate Pathway</i>						
<i>Learning outcomes:</i>						
1. Plan meaningful and challenging curriculum using research-based best practices in pedagogy to align to national, state, and local education standards. (2, 3, 4, 5, 6)						
2. Implement a broad range of developmentally appropriate teaching and learning strategies that consider children's unique characteristics and needs and are research-based, culturally sensitive, and respectful of families. (2, 3, 4, 5, 6)						
3. Create healthy, respectful, supportive, and challenging learning environments using research-based best practices in pedagogy. (1, 2, 3, 4, 5, 6)						
4. Build effective relationships with families and children using their knowledge of family systems, culture, and community. (1, 2, 3, 4)						
5. Model appropriate communication skills (verbal, written, technology-based) that enhance relationships in professional settings and when engaging with families and community partners in education. (2, 4, 6)						
<b>YEAR ONE</b>
