Purpose. Student Life at Mohave Community College complements and enhances the college academic experience. Through cultural, social, and recreational activities, events, and programs, students find camaraderie and personal growth opportunities to expand their horizons and further develop leadership skills, engagement, and enrichment at MCC.

The Student Activities Council (SAC) at each campus serves as an umbrella to all other student clubs and organizations. Campus SACs provide possible assistance in funding and additional guidance in establishing events and activities that foster leadership and growth. All registered students are members of the campus SAC and may be eligible to run and be elected to hold office, provided they meet the established requirements.
