Conducts its work under the auspices of the College President and within District policies and procedures.

In specific, serves the following purposes:

1. Research, communicate, and implement action plans that support the Mohave Community College's strategic plan, specifically the strategy two objectives.
2. Provide continuous monitoring of action plan goals, and other initiatives that support strategy two.
3. Provide periodic reports on progress and/or completion of strategy two action plans.
4. Provide ongoing support to other strategy committees in regards to objectives that utilize strategy two initiatives and work product.

Special Parameters:

1. Members are expected to utilize a wide cross-section of college stakeholders in planning and completion of objectives and action plans.
2. Members are expected to implement work generated by action plans into regular work schedules.
3. The group will abide within parameters established by the Strategic Planning Alignment Committee July 1, 2024 to June 30, 2025

Strategic Plan Alignment:

Strategy 1.1 Increase the community college going rate for students in the MCC service area.

Strategy 1.2 Increase the enrollment of underserved student population from the MCC service area.

Strategy 1.3 Increase enrollment of occupational learners in programs with industry recognized credentials.

Strategy 1.4 Increase enrollment of high school learners via innovative dual, concurrent and early start offerings.

Strategy 3.4 Increase transfer out rates to support bachelor's degree attainment.

HLC Criterion Cross-reference:

Criterion 3 Teaching and Learning: Quality, Resources, and

Support **Criterion 4** Teaching and Learning: Evaluation and

Improvement **Criterion 5** Institutional Effectiveness, Resources,

and Planning **Institutional Document:**

Conducts its work under the auspices of the College President and within District policies and procedures.

In specific, serves the following purposes:

1. Increase college readiness of Mohave County prospective students.
2. Improve student preparedness for careers and community engagement by expanding experiential learning opportunities with the support of external partnerships.
3. Enhance alignment of program growth and development with regional workforce and educational attainment needs through strengthened partnerships.
4. Implement academic planning and delivery models that address the scheduling, modality, and program needs of the students we serve.
5. Promote a culture of faculty development supporting student achievement of program learning outcomes.

Special Parameters:

1. Members are expected to actively work on projects that includes productive discussions and collaboration.
2. The group's recommendation shall align with the goals and objectives of the College Strategic Plan and shall accommodate directives from the IEAC with those strategies.
