Community Service

3.001

The college shall encourage the participation of all employees in community activities to advance the quality of living in the communities at large.

Community Service

All employees of the college are encouraged to support the public activities and organizations in their communities.

Community Service of College Administrators

College administrators and deans, or their designees, shall have their membership dues only in service organizations paid by the college. This procedure is limited to one representative per campus per organization unless specifically authorized by the President.

Date of Adoption: Adoption of Manual- July 2008
