

**The college shall encourage the development of a program of public events to enrich and supplement the college curriculum for the benefit of the students and the community-at-large.**

---

Public Events Programs

Public events programs may include, but are not limited to, lectures and forums, fine arts programs, film series, exhibits, and other cultural activities.

External Organizations

In addition to college public events programs, the college encourages community organizations to present additional cultural programs on the college campuses.

*Date of Adoption: Adoption of Manual- July 2008*
