#### Food Services

All four campuses have food vending areas.

#### Housing

Mohave Community College does not have dormitories; therefore, out-of-town students will need to make their own arrangements for housing.

#### Parking

Student parking is provided at MCC campuses. Student and guest driving behavior should be consistent with laws and regulations established by the state and with those established by the college. Vehicles parked illegally will be towed at the owner's expense.

#### Student E-mail

MCC students have MCC student e-mail accounts. Students will be assigned their student e-mail account after they have registered for classes and paid all tuition and fees. These e-mail accounts will give students access to up-to-date information throughout the semester (such as class schedules, special events, on-campus activities, etc.). Students are encouraged to use their MCC student e-mail account for all correspondence between them and faculty and other students. Please remember e-mail messages may be subject to public record inquiries.

#### Student Information System

MCC has developed an online student information system that allows current and near-current students to review their college information. Using the system, students are able to view their current class schedule, grades, unofficial transcripts and demographic information. In addition, students are able to print their student history (unofficial transcripts). Official transcripts may be requested online.
