

***The college shall conform to the statutes and regulations of the state in regard to smoking.***

---

Smoking

The college shall provide a smoke-free environment in accordance with state guidelines.

Smoking, Exceptions

Mohave Community College's Bullhead City Campus is a 100% tobacco free location, effective March 26, 2018 (A.R.S. 36-601.01-D). All use of tobacco, shall be prohibited from all campus property and facilities, including but not limited to parking lots, rooftops, courtyards, plazas, entrance and exit ways, vehicles, sidewalks, common areas, grounds and libraries. The term "tobacco" refers to all tobacco containing products, including but not limited to: cigarettes, electronic cigarettes, cigars, cigarillos, blunts, hookah, pipes, oral tobacco, chew and/or snuff. It also includes any product intending to mimic tobacco products.

All violators will receive an initial warning about the prohibition of tobacco on the Bullhead City Campus property. Continued violations by employees and students shall be handled through the respective conduct procedures for employees and students.

*Date of Adoption: Adoption of Manual: July 2008*
