

ASAP-METS Scholar Video and Assignment List

Recipients of the ASAP METS Scholarship are expected to complete the assignments listed below. The Interest Paper is part of your scholarship application and is updated periodically while you are in school. The other assignments are completed only if you are selected as a recipient.

Additional information needed to upload the assignments will be provided to the recipients.

1. **Interest Paper** –This paper is part of your application for the scholarship and is updated for each semester as you reapply.
 - a. You may find this video helpful in describing the paper:
