

GUIDED PATHWAY

The following sequence is the suggested pathway to complete the degree in two years. This sequence is based on satisfaction of all basic skills requirements and prerequisites and presumes a fall start date. An individual's program may vary depending on transfer institution, career objectives, or individual needs. See your academic advisor for other options and to monitor your progress.

Program Name: Early Childhood Education, A.A.

Program Student Learning Outcomes (SLOs):

1. Plan meaningful and challenging curriculum that supports what young children should know and be able to do in each domain of learning as outlined in early learning and development standards. (2, 3, 4, 5, 6)
2. Support positive outcomes for each child based on the application of appropriate assessment tools, including observation. (1, 2, 3, 4)
3. Implement a broad range of developmentally appropriate teaching and learning strategies that consider children's unique characteristics and needs and are research-based, culturally sensitive, and respectful of families. (2, 3, 4, 5, 6)
4. <i>Create healthy, respectful, supportive, and challenging learning environments using knowledge of children's unique characteristics and needs and the multiple factors that influence their early development and learning.</i> (1, 2, 3, 4, 5, 6)
5. Build effective relationships with families and children using their knowledge of family systems, culture, and community. (1, 2, 3, 4)
6. Model appropriate communication skills (verbal, written, technology-based) that enhance relationships in professional settings and when engaging with families and community partners in education. (2, 4, 6)
