 - b) Michelle stated budget items have been submitted for feedback.
- V. Standing Reports (if applicable)
- VI. Review of Proceedings from Previous Meeting
 - a) If any items need to be addressed, please contact Nicole Castillo.
- VII. Items for Attention
 - a) Action Item One: Identify areas of interest under percentage of need model for "weighted initiatives" (Heather Patenaude)

- i. Discussion: Heather discussed how student populations will be determined, sorted, and prioritized through the financial aid awarding process. Heather provided statistics of current MCC student populations. Committee members provided feedback on which populations should be prioritized.
 - ii. Action: Heather and her group will continue to work on action item one.
 - iii. Personnel Responsible: Heather and her group members.
- b) Action Item Two: Provide staff and faculty training regarding different cultures in target area(s) (Abigail Jaimes-Gomez)
 - i. Discussion: Abigail stated the group has been discussing trainings and guest speakers to establish a foundation for further trainings. One resource the group discussed was “Innovative Educators” which provides a webinar resource that can be utilized by the entire institution for up to one year. The group was looking at other institutions and discovered trainings are focused on a transition from cultural sensitivity to cultural competence. The group requested feedback on what would be the best format to distribute the information. Committee members provided feedback on which departments to approach for input regarding the training materials.
 - ii. Action: Meghan, Abigail, and their group will continue to work on action item two.
 - iii. Personnel Responsible: Meghan, Abigail, and their group members.
- c) Action Item Three: Analyze previous straight-from-high-school to MCC student groups (June Weiss)
 - i. Discussion: June provided statistics of students currently in High School, compared to students who are one, two, three, and four plus years out of High School. The group has been discussing the need to define success and is considering distributing a survey to students that fall under the specific classifications to help create the definition. Feedback was provided by committee members that included considering focus groups for the survey to determine what made the students successful.
 - ii. Action: June and her group will continue to work on action item three.
 - iii. Personnel Responsible: June and her group members.
- d) Action Item Four: Increase enrollment of occupational learners in programs with industry-recognized credentials (Michelle Brehmeyer)
 - i. Discussion: Michelle stated the group is working to identify the programs that have credentials. Enrollment averages for the different programs were provided. The goal is to have a 25% enrollment increase. The factors that affect enrollment are being evaluated, through program reviews. The group’s next step will be to evaluate competency-based education and to see how the enrollment for those programs can be increased.
 - ii. Action: Michelle and her group will continue to work on action item four.
 - iii. Personnel Responsible: Michelle and June
- e) Action Item Five: Review Data Day activities and discuss input/feedback (June Weiss)

- i. Discussion: Data Day will be held on December 16th, 2020, which will include staff and faculty. Committee members discussed possible talking points to bring up at Data Day, such as how data can conflict with preconceptions.
- ii. Action: Committee members will continue to review the Data Day activities for further discussion.
- iii. Personnel Responsible: All committee members

VIII. Roundtable

IX. Adjournment (Michelle Brehmeyer)
