

## MCC Leadership Academy Information

### *PURPOSE:*

*Mohave Community College strives to build a strong learning environment for our students and our employees.*

*Knowing our overall success hinges on our ability to lead and better understand our current reality, it is important to internally develop our leaders of tomorrow.*

*The Bighorn Leadership Academy (BLA) provides our faculty, staff and administrators the opportunity to explore various leadership concepts with a focus on self, their team and the college, as well as discover the various functions and operations of our college, our state and higher education in general.*

*As an overall leadership development outcome of the Bighorn Leadership Academy, participants will...*

- *Become more aware of their leadership abilities and strengths,*
- *Cultivate their capacity to apply various leadership concepts,*
- *Enhance their ability to collaboratively work with others, and*
- *Manage the transition of inevitable change in higher education.*

*To help improve overall knowledge of the college, our state and higher education, participants will...*

- *Develop a deeper understanding of current trends in higher education,*
- *Be more aware of the college's service to the various communities we serve,*
- *Broaden their understanding of the various functions of the college, including college finances and accreditation,*
- *Become more knowledgeable about the full implementation of the college's strategic plan*
- *Increase awareness of MCC's relationship with other Arizona community colleges, the state legislature and federal government.*
