

Enrollment and Student Services

Dear MCC Students,

In light of Covid-19 developments, Northern Arizona University has temporarily suspended on-campus events. In order to give students an experience similar to visiting us in person, students can now register for a Virtual Transfer Information Session to learn more about NAU.

Virtual Transfer Info Sessions will take place twice **every weekday** at **Noon** and **4 p.m.** Mountain Standard Time for students interested in transferring to NAU on the Flagstaff campus, one of our 20 statewide locations, or online.

Sessions focus on programs and specific areas of interest, such as:

- 2NAU and California2NAU
- Administration and Management
- Business and Technology
- Education and Counseling
- Healthcare, Nursing, Science
- Arts and Humanities
- Social and Behavioral Sciences

When a student registers, they can choose an interest area that applies to them, as well as a variety of session dates and times.

Once they register, they'll receive a Zoom meeting link in a confirmation email.
