Society as a whole in Arizona will receive $545.4 million in added state income over the course of the working lives of one graduating class of MCC students. Society will also benefit from $13.2 million in social savings related to reduced crime, lower unemployment, and increased health and well-being across the state.

For every dollar the public spends on MCC, the public will receive a cumulative value of $7.50 in benefits, for as long as the student population at MCC remains active in the state workforce. Taxpayers will additionally receive a 4.8% return on investment stemming from the students’ higher lifetime incomes and the increased output of businesses.

MCC alumni generated $190.9 million in added annual income in the region. Overall impact of MCC on the local business community per year amounts to $212.4 million, equal to approximately 5.6% of the Gross Regional Product.
