

Methods of Payment

MCC will accept personal checks, MasterCard, VISA, American Express and money orders. The following options are available:

- Pay the full tuition and fee payment at the time of registration.
- Pay the full tuition and fee payment by the fee payment deadline.*
- Receive a Financial Aid Award notification by the fee payment deadline.*
- Enroll in payment plan ([see directions below](#)).

Mohave Community College has contracted with Nelnet Business Solutions to provide various payment options to assist students in paying for college. MCC is pleased to offer e-Cashier as a convenient online payment plan. The e-Cashier payment plan allows students to select installment plans that are spread over several months, depending on when registration occurs. Payments can be made online from a checking or savings account or credit card. The only cost to participate in the e-Cashier program is a \$25.00 per semester nonrefundable enrollment fee.

This is not a loan program: there is no debt incurred and no credit search. There are no interest or finance charges assessed by NBS on the unpaid balance. To register for classes and take advantage of the payment plan option go to <https://jics.mohave.edu>. Select your classes then visit the Payment tab. Scroll down to the "Enroll in the Payment Plan" section, choose the appropriate Year/Term and select Submit. You will then notice the e-Cashier logo appear. Select this and you will be taken to the NBS site where you can enroll in the payment plan.

Nelnet Business Solutions Payment Plan Commonly Asked Questions

When will my payment be deducted from my account? All scheduled payments will be deducted from your account on the 5th of each month within your selected payment plan.

How soon does my down payment come out? Your down payment, as stated in your agreement, comes out immediately.

Is the \$25 enrollment fee refundable? No, the enrollment fee is non-refundable.

When does my enrollment fee come out of my account? The Nelnet enrollment fee of \$25 is automatically deducted or charged to your account immediately. If the enrollment fee is not collected, Nelnet will terminate your agreement and the college will drop all courses in which you are enrolled in.

What if I miss a payment within my payment plan? If any payments are missed, you will be notified by the college and given 24 hours to pay the account IN FULL before you will be allowed

back in classes. If the account is not paid in full, you may be dropped or administratively withdrawn from all courses with no refund of payments already made and you may still be billed for any unpaid balance.

I signed up for the payment plan because my financial aid was not ready at time of registration. Will payments still come out of my account on the 5th? Yes, until your financial aid has been fully processed and awarded to your account, you are responsible for all scheduled payments.

I am expecting financial aid and I have/have not already applied for financial aid. Do I still need to sign up for the payment plan? Yes, if you have registered and financial aid is not fully processed and awarded to your account you must either pay cash or elect a payment plan (for which you are responsible to the terms and conditions of your signed agreement) or you will be dropped from your classes the next business day.

I didn't realize I was short of funds in my account and there will not be enough money in my account for the down payment. What will happen? If your down payment should return due to lack of funds, stop payment, or inaccurate banking information, your agreement will be terminated and you will be dropped from your classes.

Are there additional charges with payment plan besides the \$25 enrollment fee? If you miss a scheduled payment, Nelnet charges \$30 for insufficient funds.

I need to change my payment date. Can you help me? The payment dates are strictly on the 5th of the month unless it is on a weekend or holiday. If it should follow on a weekend or holiday, your payment will be attempted on the next following business day.

Can I withdraw from my classes if I have a payment plan balance? No, an AR hold will be placed on your account which will prevent you from any services. An AR hold blocks a student from withdrawing from classes; it also blocks a student from adding or dropping classes in the current semester and enrolling in classes in future semesters. In order to remove the AR hold, a student's account must be paid in full.
