

**PTA Program Student/Graduate Outcomes**

Graduates of the Physical Therapist Assistant Program will be able to:

1. Demonstrate safe and effective application of treatment techniques established within the plan of care.
2. Demonstrate effective oral, written, and nonverbal communication in a culturally competent manner with patients, their families, colleagues, and the public.
3. Demonstrate their ability to contribute as a functional team member within the physical therapy profession.
4. Demonstrate safe, effective, moral, ethical and legal behaviors within the scope of physical therapy.
5. Demonstrate their role in physical therapy by implementing a comprehensive treatment plan to promote optimal patient outcomes.
6. Recognize the relationship between concepts learned from liberal arts and basic science coursework and physical therapy knowledge and skills.
7. Demonstrate clinical skills necessary to practice at the entry level for the physical therapist assistant prior to graduation.
