

In-school Deferment Requests, MCC Registrar's Office

If you need verification of enrollment to defer student loan payments, (in-school deferment request) you must submit the appropriate form provided by the lender. You must submit this form every semester.

Forms will be processed according to your MCC record for the current term. If the current term has not passed the Add/Drop period, a disclaimer will be placed on the form encouraging the lender to require you to resubmit another request after the Add/Drop period.

If you need backdated certification you must note that need on your form. Most lenders provide printable "In School Deferment Forms" on their websites. Incomplete forms will be returned to you. Requests made by students with indebtedness to Mohave Community College will be denied and returned to the student.

Note: Mohave Community College participates in the National Student Clearinghouse.

Please allow a **minimum of 5 to 10 business days (15 days at the end of term)** after the form is received in the Office of the Registrar to process your request. The release of educational records requires your signature ([per Federal Law-FERPA](#)). This means the request cannot be made by parents, spouses, children, or friends.
