**Purpose.** Student Life at Mohave Community College complements and enhances the college academic experience. Through cultural, social, and recreational activities, events, and programs, students find camaraderie and personal growth opportunities to expand their horizons and further develop leadership skills, engagement, and enrichment at MCC.

**The Student Activities Council (SAC)** at each campus serves as an umbrella to all other student clubs and organizations. Campus SACs provide possible assistance in funding and additional guidance in establishing events and activities that foster leadership and growth. All registered students are members of the campus SAC and may be eligible to run and be elected to hold office, provided they meet the established requirements.

The SAC Executive Committee met and chose six topics that they felt would be of interest to the student body. **B. MCC Shines**

MCC Shines is a yearly community outreach to showcase the campus, introduce campus staff and student volunteers, establish college as a fun, welcoming environment, be a service to the community, and provide an enjoyable holiday event for the community. In past years, this was an event that included entertainment, food, a holiday tree-lighting ceremony, and pictures with Santa. It also showcased the decorated trees, a volunteer effort by departments and student clubs that vied for the award of having the best decorated tree.

In light of the pandemic, and the restriction of large groups gathering on campus, MCC Shines this year will need to take place virtually and/or as a drive-through event. A committee of staff and faculty has been formed and began meeting this week for planning purposes.

This item is on the agenda today to offer clubs and SAC a chance to participate in the event and form their own committee for the purpose of gathering ideas that students can get involved with as a part of the event. Once that committee develops a proposal for ideas and a budget, that item can be added to the next SAC agenda for approval.

**VIII. Club Reports Club Reports—this is the time when the clubs report on previous or future activities. Items for the agenda that require action must be communicated at the beginning of the meeting and added under either old or new business.**
