**A. Blood Drive**

The LHC SAC had their first Blood Drive in many years on the LHC Campus on March 13, 2019, in Building 600. The blood drive was a huge success with 28 registered donors, 23 successful donors, and 26 units of life-saving product collected. This far surpassed the projected 15 successful donors and 17 units. The Vitalant representative has reached out again to the MCC LHC campus to sponsor another blood drive in

November or March with an optimal time of 10 a.m. – 2 p.m. The vendor handles all the arrangements, and there is no cost to the SAC or college; however, students volunteers are needed to sign in donors during these hours.

The item was tabled from the previous meeting so the availability of Building 600 could be determined and a date can be agreed upon by the members.

**Sunshine Boylan made a motion, and Matthew Saginario seconded that motion, to approve the date of Wednesday, March 4, 2020, to hold a campus blood drive in the 600 Building from 10 a.m. – 2 p.m. Without further discussion, the motion carried unanimously.**
