

Mohave Community College provides access 24/7 to smarthinking, an online tutoring service.

To access this service, login to <https://myclasses.mohave.edu> to access the learning management system, Schoology.

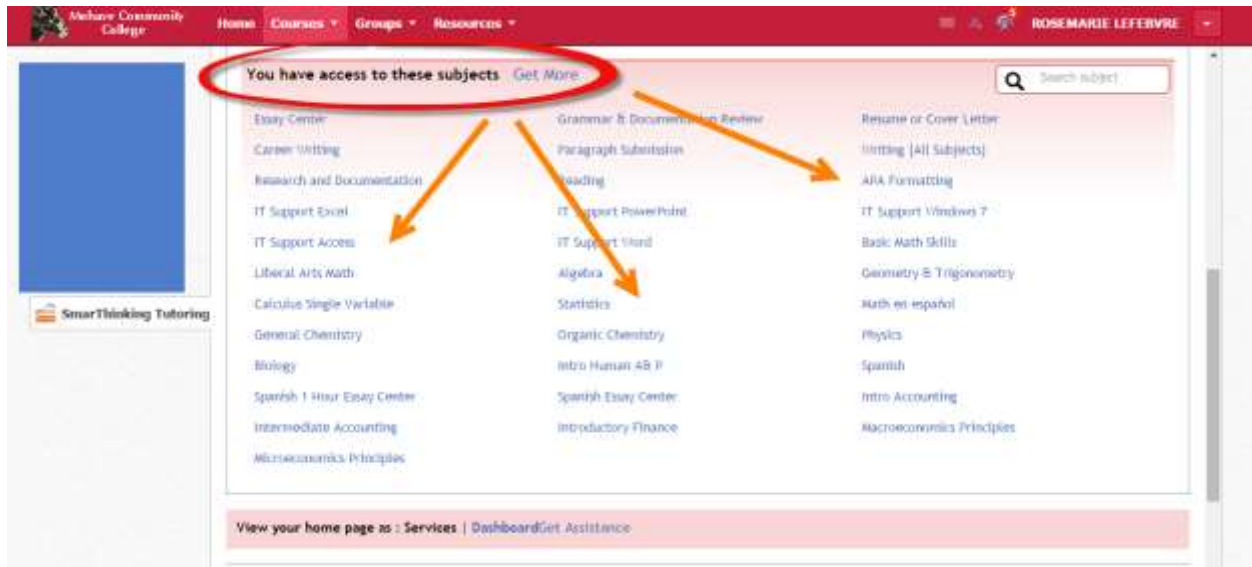

On your personal homepage, you will find the smarthinking link on the left-hand side of the page.

Smarthinking will display in the homepage window. Menu choices are displayed on the homepage.

Subjects student may access tutoring services that are listed at the bottom of the page (scroll down to view).

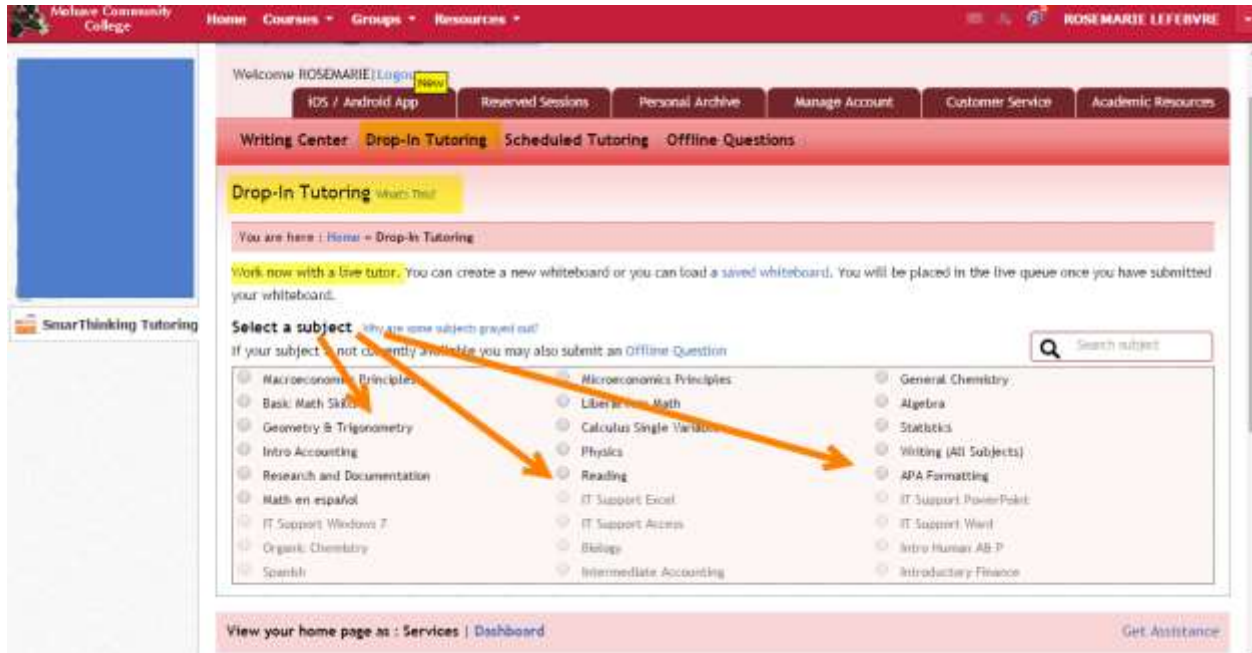

**WRITING CENTER** - When accessing the Writing Center students will:

- 1 By clicking on the Writing Center link on the homepage, students access writing services.
- 2 Students may submit their writing draft and within 24 hours, will receive feedback on the draft from a smarthinking tutor.
- 3 Students are asked to choose the subject area to submit the draft to. Tutoring review will focus on the chosen subject area.

**DROP-IN TUTORING** is available when students would like to work with a live tutor in real time. Students select a subject they would like to ask questions about and work on a whiteboard with the tutor.

**SCHEDULED TUTORING** - Students may also schedule tutoring sessions for real-time access to a tutor at a later date.

**OFFLINE QUESTIONS** - Students may opt to pose questions asynchronously to a tutor and receive an answer within 24 hours.
