Dear Ms. Brown,

Thank you for your generous gift to MCC's Veterinary Technician Program. I am the recipient of this year's Paws for Animals Scholarship in the amount of \$750.

Since I was a child, I have been bringing home lost and wounded animals and caring for them until they could be released. When I was in junior high school, my parents bought me several baby chicks to raise and care for. As I got older, my family began raising rabbits and goats as well. I enjoyed working with the animals, caring for them as they provided for my family.

After high school, I worked a series of different jobs. Working at a local Vet's office has reminded me how much I enjoyed working with animals. Now, I am excited to get back to school to learn more about caring for animals. I want to be able to contribute more to their care so other families can benefit from the joy of having animals in their lives like I did.

Your gift will help me finish my Associate's degree and go on to complete my Bachelor's degree. I'd like to become a veterinarian who provides affordable services to families with livestock. I feel that this will help to give back to my community by helping others provide for their families.

Sincerely,

Jeremy Johnson
